

carry six is twenty-six,
thirteen into twenty-six is two
even (unto you, my true and blue)
and so it would take seventy-two
days exactly to market
the goose.

Ah, nein, mein Herr, while we have here
precision, we have not here accuracy --
ein duck cannot become ein goose! To
goose or to duck, now that is the
question!

In Canada at
Crystal Beach
rundown rides
and a wild laugh
in the dark which
features every day
all day at nite
in colored lites
all the time one
large fat lady
outside laughing:

Hahahahahaha
Hahahahahaha
Hahahahahaha

Three kids broke
into this ride one
day -- derailed a car
and beat the living
shit out of some poor
guy and his girl

outside large fat lady
laughing

Hahahahahaha
Hahahahahaha
Hahahahahaha
